## Home Town Boy Does Good

Anthony Linkenhoker was always at Natural Bridge Speedway growing up living only ten miles from the track but this time he was standing on the front stretch as a winner. Heats started the night with Anthony Linkenhoker and Jerald Harris taking those. The feature was paced by Linkenhoker and Tony Harris with Linkenhoker out first and Tony and Jerald Harris all in a row. Linkenhoker was smooth out front running mid track with Tony high and Jerald low. On lap ten Jerald went low and in to second with Tom Humphries getting to third two laps later. The top three were still in a train until Humphries started to fade allowing Brian Lawson to close in. As the checkered flag was waving Anthony Linkenhoker stayed on line as Jerald tried one last time but could only get to the rear of the car as they crossed the stripe just as Lawson passed for third.

At the line it was Anthony Linkenhoker, Jerald Harris, Brian Lawson, Tom Humphries, Tony Harris, Bill Rice, Troy Severin, Glenn Worrell, Daren Bolac and Josh Perreault.
