## Chris Humblet First on Dirt

Chris Humblet has won a number of races at our asphalt events but on Saturday he was able to take his first dirt track win.

Heats on the warm sunny spring evening kicked off the night with Jerald Harris and Chris Humblet taking wins.

Off to the feature with Daren Bolac and Matt Mullins leading the field to green with Bolac out first and Mullins right with him and Jerald Harris and Chris Humblet all close behind.

Mullins made his way to first as Humblet made his way to third. Mullins continued out front as Humblet made it to second as Harris made third.

Laps were counting down and Humblet started to work on Mullins and took the lead with a few laps to go as Harris made it to third.

Mullins changed his line to try to mount a challenge but Chris Humblet stayed strong all the way to the waving checkered flag.

**At the line** it was Chris Humblet, Matt Mullins, Jerald Harris, Caleb Harris, Daren Bolac, Chris Ware, John Smith, Jacob Wood and Matthew Leach.
