## Mike Keeton on Rails to the Win

The Norfolk Southern Railroad across the street from the speedway rumbles and roars when it rolls by, but on Saturday night Mike Keeton made his own noise and looked to be on Rails as he speed to the feature win. The feature only event rolled to green with Josh Perreault and Chris Ware on the front with the two staying side by side until lap two the Ware edging out front. Bill Rice came up to challenge Ware but his night ended early with a flat right front tire in the infield. On the restart Ware jumped out but Mike Keeton would take over the top spot and took off. Jerald Harris and Glenn Worrell worked on Ware and would get by but chasing down Keeton was not going happen without a caution as he powered to the win.

At the line it was Mike Keeton, Jerald Harris, Glenn Worrell, Chris Ware, Josh Perreault, Matt Mullins, Charlie Ware and Bill Rice.
