## **Scott Ellerman Smooth and Steady to the Win**

Scott Ellerman used the outside front row to the best possible outcome by staying smooth never letting challengers move him off his line to the finish. Heats kicked off the night with Ken Duke, Jerald Harris, Jonathan Jones and John Walp. Jac Gomola and Scott Ellerman paced the field to green with Ellerman grabbing the lead and Gomola tucking in behind with Christian Rumsey already pressuring in third. Ellerman continued to lead as Rumsey made it to second with Stevie Kenawell moving to third. Ellerman was still out front as Ken Duke made it to third and Rumsey and Duke were at it for second with Kenawell holding fourth as the laps clicked off on the smooth half mile speedway. Ken Duke made it to second as the half way flags were shown and was trying to put pressure on Ellerman while Rumsey was trying to take back second. After a caution late it was all going to be a shootout for the win but Ellerman never wavered as Duke was right on him with Rumsey looking for a way by as the Checkered flag waved over Scott Ellerman for the win.
