Mike Leraas Fly's Like the Wind

On a day that started clear and warm ended clear but windy with cooler temps and Mike Leraas was about to fly up front to top the field and take the windy win.

Heats kicked off the night with John Scarborough and Caleb Harris taking wins. Off to the features was next with Aaron Leach and Mike Leraas pacing the field to green with Leraas out first up top and Jerald Harris bring John Scarborough making it the top quickly leaving Aaron Leach racing with Matt Mullins and Daren Bolac for fourth and fifth.

The twenty lap caution free race was going by fast as everybody stayed close and were trying different lines to close and some laps lose a little but being smooth was paying off for the top group. With one to go it was tightening up but it would change as Leraas went under the waving checkered flag.

At the line it was Mike Leraas, Jerald Harris, John Scarborough, Aaron Leach, Daren Bolac, Matt Mullins, Caleb Harris, Dylan Shatzer, Glenn Worrell, Matthew Leach, Chris Ware and French Grimes.
