## Shatzer Sails to Fast Friday Win

Dylan Shatzer driving the Al Moser sprinter made the trip to the shore a good one as he won his heat and went on to take the feature.

Heats kicked off the night with Dylan Shatzer and Jerald Harris taking wins on the first hot day of the season.

Aaron Leach and Dylan Shatzer paced the field to green with the Shatzer out first and Leach and Jerald Harris in tow.

The track was smooth and fast which made the laps click by fast as Chris Humblet made his way to forth with Matt Mullins, Matthew Leach and Caleb Harris fighting over fifth at mid-point and the leaders were just not faltering and keeping a quick pace.

Caleb Harris found a new grooving getting to forth as Humblet stayed fifth with Mullins getting by Bolac for sixth.

With laps winding down they were catching the back of the field but nothing was slowing the leaders as Dylan Shatzer flashed under the waving checkered flag first in the caution free feature.

**At the line** it was Dylan Shatzer, Aaron Leach, Jerald Harris, Caleb Harris, Chris Humblet, Matt Mullins, Daren Bolac, Matthew Leach, Bill Mullis, Jacob Woods and Chris Ware.
