Mike Leraas Leads Last Laps

The first real hot summer day at the Mountain that Roars we saw another first win of the season this time by Mike Leraas after having completed nine races this year the VSS has seen eight different winners. The feature only event had Chris Ware and Bill Rice pacing the field to green with Rice out first leaving Ware to deal with Jerald Harris and a closing Glenn Worrell and Mike Leraas. Rice was a lane up and staying smooth out front as Harris was trying every way to get by Ware and go after Rice as the laps clicked off. After a car had a quick spin it tighten up the field and on the green Rice took off again leaving Ware to still deal with Leraas and Worrell until Leraas got by and went after Rice with Worrell making it to third. Rice was leading still but Leraas and Worrell were on the way. With five to go Leraas swept low in to the lead and Worrell made it by for second but ran out of time to catch Leraas as he streaked under the checkered flag first.

At the line it was Mike Leraas, Glenn Worrell, Bill Rice, Jerald Harris, Chris Ware, Matt Mullins, Charlie Ware and French Grimes.
