Cole Dewease Rolls To Winchester Win

Cole Dewease continued his great season by going to the front and staying there Saturday night at the storied Winchester Virginia oval.

Heats kicked off the beautiful summer night with Cole Dewease taking heat one and Matt Mullins in heat two.

The feature lined up with Dylan Shatzer and Matt Mullins on the front row with Shatzer getting away as Mullins and Dewease were right there.

Dewease made quick work getting to second and on lap five went straight to the front. Shatzer was firmly second as Mullins stayed third with Donnie Hendershot and AJ Barton all in a pack.

What ended up being a caution free feature really clicked off the laps as Dewease was working through traffic with Shatzer trying to track him down with Mullins racing with Hendershot and AJ Barton all together.

Nobody would catch Cole Dewease as he raced under the checkered flag first.

At the line it was Cole Dewease, Dylan Shatzer, Matt Mullins, Donnie Hendershot, AJ Barton, Matthew Kline, Ryan Lynn, Brady Beavers, Caleb Harris, Daren Bolac, Alyssa Cullum, Chris Ware, Colton Hendershot, Matthew Leach, Jerald Harris, Aaron Leach and John Smith.
