Race # 14 Saturday September 13, 2025
Langley Speedway, Hampton, Va.

Chris Humblet Hampton Hauler

Chris Humblet made some changes after his heat race which proved to be the right ones as he flew to the win at Langley Speedway.

Heats started the race night with Billy Hubbard and Aaron Leach taking wins.

Jerald Harris and Chris Humblet paced the field to green with Humblet out first and Harris falling in behind with Billy Hubbard quickly in third.

Humblet stayed strong out front as Harris was not liking his tire choice as Hubbard got by and went after Humblet.

Humblet was starting to hit traffic as the laps click by quick on pavement races and with five to go Hubbard was right with him.

With two to go Hubbard was really making a charge and got within a couple car lengths but that was going to be it as they both flashed under the waving checkered flag one and two for Humblet's second win of the season at Langley.

At the line it was Chris Humblet, Billy Hubbard, Matthew Leach, Aaron Leach, Matt Mullins, Bill Mullis, Daren Bolac, Caleb Harris, Jerald Harris, John Smith, Jimmy Humblet and Chris Ware.
