Dylan Shatzer Schools the Field

Dylan Shatzer's day job is a schoolteacher, but he moved the classroom to Natural Bridge Speedway Saturday night by sweeping the night taking his heat and the feature.

Heat race wins went to Matthew Mullins and Dylan Shatzer before it was off to the feature.

Matt Mullins and Billy Hubbard led the field to green with Mullins out first and Hubbard right behind with Shatzer and Bolac inline.

Shatzer made it to second and Hubbard third but was already pushing Mullins for the top spot. Shatzer swept into the lead with Hubbard to second quickly now with Mullins and Daren Bolac now racing for third and Jerald Harris in fifth.

Bolac got by for third with Mullins fourth, but Harris was on the move.

Daren ended his night early with front-end damage coasting to the stop.

Back to racing as Harris made it to third as laps were running out as Shatzer stayed fast up high and all the way to the waving checkered flag.

At the line it was Dylan Shatzer, Billy Hubbard, Jerald Harris, Matt Mullins, Aaron Leach, Caleb Harris, Jacob Wood, John Smith, Daren Bolac and Matthew Leach.
