Mike Leraas Leads Last

A cool evening greeted the fans on opening night at the mountain speedway and Mike Leraas cooled off the rest of the field to take the feature. Glenn Worrell and Ryan Price took heat wins before it was off to the feature. Worrell and Leraas paced the field to green and it was Worrell out first with Leraas, Tony Harris and Jerald Harris all in a group at the front. Laps clicked off fast and Leraas was making the high line work and it did on lap fifteen as he went to the front just as Worrell was fading. The Harris brothers went by Worrell also and Tony went on the attack. Tony got to the bumper lap after lap but Leraas held on to win by a car lenth at the line.

At the stripe it was Mike Leraas, Tony Harris, Jerald Harris, Glenn Worrell, Bill Rice, Anthony Linkenhoker, Mike Keeton, Josh Perreault, Chris Ware and Ryan Price.
