Tony Harris Tops the Mountain

Tony Harris used the high line to save his tires at the mountain speed plant for his first win of the year. Heats on the first real warm day of the season kicked off the night with Glenn Worrell and Jerald Harris taking those. Bill Rice and Tony Harris paced the field to the feature green flag and it was on with Rice out first.

Tony Harris quickly moved to the top and by the finish of lap one he was leading. Anthony Linkenhoker and Jerald Harris quickly made it to Tony's rear bumper and they went at it all race with Tony using the high line to keep up speed. Jerald Harris made it by for second but all he could do was shadow Tony all the way to the finish.

At the line it was Tony Harris, Jerald Harris, Anthony Linkenhoker, Bill Rice, Glenn Worrell, Chris Ware, Josh Perreault and Bronzie Lawson 4.
