## Ryan Price Runs to the Front

Ryan Price has been close to his first win many times over the years but with three laps to go he made the move for the lead and it stuck. Heats kicked off the evening with Mike Keeton and Mike Leraas taking those. Charlie Ware and Mike Keeton paced the field to green with Keeton out on top with Anthony Linkenhoker close behind quickly.

Mike Leraas joined Linkenhoker and Keeton at the front as Price was racing with Tony Harris for fourth. At half way Keeton, Linkenhoker, Leraas, Harris and Price were all in row. Price started to move after half way first getting by Harris then after a few laps got by Leraas and now was with the front two. Price found the line he needed with six to go to get by Linkenhoker. With three to go Price got a run on the outside of Keeton and swept to the lead on the backstretch and went on to his first victory.

At the line it was Ryan Price, Mike Keeton, Anthony Linkenhoker, Mike Leraas, Tony Harris, Chris Ware, Bill Rice, Charlie Ware, Josh Perreault and Jack Rice.
