Ryan Price Take Two

It was only been about a month since Ryan Price won his first VSS race and now after a charge from the back he has win number two. Heats started the night with Mike Leraas and Daren Bolac winning those before it was off to the feature. Daren Bolac and Tom Humphries paced the field to green with Bolac out first with Humphries in tow. Leraas got by Humphries on lap five and went after Bolac as Price and Scott Lutz were after the top three now.

Leraas got a run and went for the lead just as he had a brake problem causing a spin and ending his chance for a win. Bolac took off again as Price and Lutz got by Humphries. Price was good low as Bolac stayed high and with ten to go Price used the low line for the lead. Price left Bolac to fight it out with Lutz as he ran away the last few laps for the win, Lutz got by for second but was never was able to mount a challenge for the lead.

At the line it was Ryan Price, Scott Lutz, Daren Bolac, Tom Humphries, Brian Lawson, Tony Harris, Anthony Linkenhoker, Bill Rice, Randy Sterling, Glenn Worrell, Chris Ware, Neil Sandridge, Mike Leraas, French Grimes jr and Jack Rice.
