Scott Lutz Falls for the Bridge

The fall season started this weekend and the mountains of Virginia are a popular place to visit and Scott Lutz traveled from Pennsylvania to take in the sights and take the win. The heats started the night with Troy Severin and Tony Harris taking wins. The feature was called to the line with Chris Ware and Bill Rice pacing the field to green with Rice out first. Rice loves the high line and he was trying to run away as Troy Severin was quickly up to second and everybody else was using all three grooves to run them down.

Rice continued when the pace slowed for a broken car then it was back on with Rice and Severin still up from as Scott Lutz was closing in. With ten laps to go Lutz made his way to second and Rice was starting to get a little loose on exit but looked like he may hold on. With traffic ahead Rice had to change up lines and Lutz was using the low line to really close in and with four to go to the front he went. Lutz pulled a few car lengths out and raced to his second VSS win of the year.

At the line it was Scott Lutz, Bill Rice, Troy Severin, Anthony Linkenhoker, Tony Harris, Jeff Taylor, Chris Ware, Glenn Worrell, Neil Sandridge, Daren Bolac, Jack Rice, French Grimes jr. , Tom Humphries, Mike Leraas and Brian Lawson.
